

## Announcement

Inviting applications for Project Site Engineer – M. S Swaminathan Biodiversity Park

**Location:** Poothurvayal, Meppadi , Wayanad Dist. ,Kerala

<b>General Information</b>	<b>M S Swaminathan Research Foundation is inviting applications</b>
<b>About MSSRF</b>	<p>M S Swaminathan Research Foundation was established as a not-for-profit trust in 1988. Envisioned and founded by Professor M S Swaminathan, MSSRF aims to accelerate the use of modern science and technology for agricultural and rural development with the view to improve the lives and livelihoods of marginalised communities. The Foundation follows a pro-poor, pro-women and pro-nature approach and strives to develop scientifically-sound and socially equitable solutions to address two main issues development challenges affecting rural communities- degradation of natural resource base and persistence of poverty. From a small beginning, MSSRF has made an impact across various dimensions, changing rural lives for the better. Over 600000 farm families and 250000 fisher households across 4000 villages covering 14 Indian states benefit every day.</p> <p>For more information, visit our website <a href="http://www.mssrf.org">www.mssrf.org</a></p>
